DETAILED ACTION

Allowable Subject Matter

1. Claims 1-19 are allowable.

The following is a statement of reasons for allowance: The prior art does not does not anticipate, nor does it suggest, the invention as claimed in claims 1-19. The prior art does not disclose a game program for displaying a scene in a virtual three-dimensional space on a screen, the game program causing a computer to execute a process comprising: dividing the scene into a plurality of regions in accordance with distances from a prescribed viewing point in a depth direction, the regions including at least a close region that is closest to the viewing point, a far region that is furthest from the viewing point and a subject area region that is between the close region and the far region; and performing filtering processing that imparts visual effects to respective regions of the scene in accordance with respective set filtering levels so that the close region and the far region are affected more than the subject area region

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
